## STOCKTON FIRE DEPARTMENT FIREWORKS SALES ADMINISTRATIVE RULES AND PROCEDURES

### Sales and Applications

It shall be unlawful to engage in the sale of "Safe and Sane" fireworks in the City of Stockton without first having secured a permit (Fireworks Sales Permit) to do so.

Applicants are limited to non-profit organizations (1) as defined in Section 8.92.010 E of the Stockton Municipal Code, (2) that have had a Stockton mailing address for at least twelve consecutive months immediately prior to filing this application, and (3) that primarily serve City of Stockton residents. Two or more nonprofit organizations may submit a joint application so long as each nonprofit organization meets the criteria set forth in the previous sentence. A nonprofit organization may not submit an application as an individual applicant and as a joint applicant.

All applications must be filed in person at the Stockton Fire Prevention Division located at the City of Stockton Permit Center, 345 North El Dorado Street, Stockton, CA, during normal business hours between the first business day in March and the last business day in March of each year or as otherwise determined by the Fire Chief. Business hours are Monday through Friday 8:00 a.m. - 4:30 p.m. (closed alternate Fridays). **Late applications will not be accepted.**

The following items must be provided with the application at the time of submittal. **Incomplete applications will not be processed.**

1. Non-refundable \$35.00 check made payable to the City of Stockton.
2. Proof that the organization is a non-profit organization as defined in Section 8.92.010 E of the Stockton Municipal Code.
3. Evidence demonstrating that the organization has had a Stockton zip code mailing address for at least twelve consecutive months (e.g., utility bills, official correspondence, etc.) immediately prior to filing this application.
4. Brief statement demonstrating that the organization primarily serves City residents, and the length of time the organization has provided such services.

Each organization that submits an application will be notified by telephone or email whether its application is complete. Any applicant who is notified that its application is incomplete may clarify the information submitted or provide additional information in support of its application. The City, in its sole discretion, will make the final determination as to whether an application is complete.

Fireworks Sales Permits will be issued by lottery. The lottery will take place during May of each year. Each applicant whose application was complete shall receive one (1) lot and shall be notified of the time and place when the lottery will be conducted.

If an organization is selected in the lottery, the organization, in order to receive a Fireworks Sales Permit, must provide to the City a cash deposit or other security acceptable to the City in an amount determined by the City Council to assure compliance with the City's Fireworks Ordinance.

### **The City will issue no more than 30 Fireworks Sales Permits each year**

An organization that has received a Fireworks Sales Permit shall not transfer that permit. Any purported transfer will result in the immediate revocation of the Fireworks Sales Permit.

Applications and any Fireworks Sales Permits are good for one year and any nonprofit organization seeking a Fireworks Sales Permit must apply annually.

A nonprofit organization may obtain a Fireworks Sales Permit only two years in a row. Any nonprofit organization that obtains a Fireworks Sales Permit two years in a row must wait one application cycle before reapplying.

### **Operation of Fireworks Stand**

Only adult members or volunteers of the permitted nonprofit organization may operate a fireworks stand.

It is unlawful for a nonprofit organization to pay any consideration to any person for selling or otherwise participating in the sale of fireworks at a fireworks stand, except the hiring of a security person.

Any violation of this section shall result in the immediate revocation of the current Fireworks Sales Permit.

### **Operator Safety**

Each year, two or more representatives from each permitted organization's sales staff shall attend a stand operator safety class conducted by the Fire Department. The Fire Department will notify the permitted organization of the time and place of the class there will be no makeup class. Failure to attend the class shall result in the revocation of the organization's Fireworks Sales Permit for that calendar year.

### **Temporary Fireworks Stands**

All retail sales of "Safe and Sane" fireworks shall be permitted only from within a temporary fireworks stand and sales from any other building or structure are prohibited. A temporary fireworks stand shall not be set up before a Fireworks Sales Permit is issued.

Fireworks stand walls and roof shall be of plywood at least one-fourth (1/4) inch thick or

of an approved noncombustible material.

The stand shall be provided with a roof. Stand square footage shall not exceed 260 square feet. Stand length shall not exceed 32 feet. Walls shall extend a minimum height of six feet, eight inches on at least three sides. These three sides shall be without openings, except for exit doors. Stand must have two exit doors.

Two exit doors with a minimum size of twenty-four inches in width and six feet in height shall be provided in each stand. Exits shall be maintained clear and unobstructed at all times.

The front wall of the stand shall provide a physical barrier not less than eighteen inches in height between the public and the merchandise on display.

**Fireworks sales stands are subject to the following requirements**

- a. Fireworks sales stands shall be put in place by the permitted organization no earlier than June 23 at 8:00 a.m.
- b. No fireworks sales stand shall be located within twenty-five feet of any other building or structure, within five feet of any curb line, or within one hundred feet of any gasoline pump.
- c. No fireworks stand shall be located within twenty-five feet of any building used as a school, day care, hospital, place of detention, public garage or place of assembly that can accommodate 300 or more occupants.
- d. A minimum of twenty feet of separation shall be provided between the fireworks sales stand and any parked vehicle not belonging to a person selling fireworks.
- e. No weeds or other combustible materials shall be permitted within twenty-five feet of the fireworks sales stand.
- f. Within all fireworks sales stands the electrical wiring shall be in conduits and breaker boxes shall consist of GFI breakers.
- g. Prior to opening for business, all fireworks sales stands shall be built (and thereafter maintained) in accordance with the safety requirements of the City.
- h. No generators shall be allowed within twenty-five feet of any fireworks sales stand.
- i. No signs shall be placed in the public right-of-way.
- j. Each fireworks sales stand shall be provided with two (2) two and one-half (2½) gallon pressurized water type fire extinguishers, or two (2) 2A10BC dry chemical/powder type fire extinguishers, in good working order, and easily accessible for use in case of fire.

- k. The fireworks sales stand shall be removed from the temporary location and the site cleaned by noon on July 7. If the permitted organization does not remove the stand and/or clean the sales site as required, the City may do so, or cause the same to be done, and the reasonable cost thereof shall be charged against the permitted organization, and its security deposit. In addition, any permitted organization found to be in violation of this section shall be subject to an administrative penalty imposed in accordance with Section 8.92.150 of the Stockton Municipal Code.
- l. The fireworks sales permit shall be displayed in a prominent place in the fireworks sales stand.
- m. In addition to any other administrative procedures set forth by the City, it shall be the responsibility of the permitted organization to display a poster measuring 18" x 32" that shall be posted at the point of sale of the fireworks to notify the purchasers of all applicable restrictions established by the City's Fireworks Ordinance. The City shall provide the posters, which shall be returned to the City after use.

Stand inspections will be conducted. Fireworks may not be sold until the Fire Department has inspected and given approval of the stand. An inspection fee of \$147 must be paid prior to the date of inspection. If the inspection fee is not paid by the day before the date of inspection the inspection appointment will be cancelled.

If a stand fails the first inspection, a second inspection will be conducted at no charge. If the stand fails the second inspection, the Fire Department will charge a reinspection fee of \$147 for the third inspection and \$147 for each thereafter until the stand is approved. If any after-hours inspection is requested, there will be an additional charge of \$147 per ½ hour.

### **Fireworks Sales Stand Operation**

Fireworks sales shall only be conducted during the approved sales period beginning June 28 at noon, and ending July 4 at 9:00 p.m. Violations for sales prior to noon on June 28 will result in the immediate revocation of the organization's Fireworks Sales Permit and violations for sales on July 4 after 9 p.m. will result in the organization being ineligible to submit an application in the next calendar year. In addition:

- a. Only adult members and volunteers of the permitted organization may operate, sell, or handle for sale any fireworks.
- b. Those persons selling fireworks shall require all persons/customers who appear to be under the age of thirty years to provide proof of age and shall make no sales of fireworks to persons younger than eighteen years of age.
- c. No smoking or the consumption of alcoholic beverages shall be allowed within fifty feet of any fireworks sales stand and "No Smoking" signs shall be displayed on and in the fireworks sales stand.

- d. It is unlawful for the permitted organization to pay any consideration to any person for selling or otherwise participating in the sale of fireworks.
- e. No person may sleep in or remain in the stand after close of business.
- f. All unsold fireworks must be securely stored at a designated central storage location, approved by the Fire Chief, during non-sale periods.
- g. Each sale stand must have present at all times during the sales period, at least one person who attended the required City of Stockton Fire Department Operator Safety Class.
- h. The sale of fireworks shall conform to requirements of Section 8.92.015 of the Stockton Municipal Code.
  - 1. Subject to provisions of this chapter, the State Fireworks Law, Sections 12500 through 12726 of the Health and Safety Code of the state, and any regulations promulgated thereunder, safe and sane fireworks, as defined in the Ordinance, may be sold within the City limits of the City of Stockton only during the period beginning at noon on June 28, and shall not continue after 9:00 p.m. on July 4. The sale of fireworks shall be permitted only from noon to 9:00 p.m. on June 28 and from 9:00 a.m. to 9:00 p.m. daily, June 28 through July 4. No fireworks classified as "dangerous fireworks" by Section 12505 of the Health and Safety Code of the State of California may be sold within the City.
  - 2. Subject to the provisions of the City's Fireworks Ordinance, and the State Fireworks Law, Sections 12500 through 12726 of the Health and Safety Code of the state, and any regulations promulgated thereunder, safe and sane fireworks, as defined in the City's Fireworks Ordinance, may be discharged within the City limits of the City of Stockton only during the period beginning at noon to 11:00 p.m. on June 28 and from 9:00 a.m. to 11:00 p.m. daily on June 29, through July 4. No fireworks classified as "dangerous fireworks" by Section 12505 of the Health and Safety Code of the State of California may be discharged within the City.
  - 3. The use or discharge of fireworks within fifty feet of any fireworks sales stand is prohibited.
- i. All unsold stock and litter must be removed from the sales location by 10:00 p.m. on July 4.

### **Stand Construction**

Walls and roof shall be of plywood at least one-fourth (1/4) inch thick or of an approved noncombustible material.

The stand shall be provided with a roof. Stand square footage shall not exceed 260 square feet. Stand length shall not exceed 32 feet. Walls shall extend a minimum height of six feet, eight inches on at least three sides. These three sides shall be without openings, except for exit doors. Stand must have two exit doors.

Two exit doors with a minimum size of twenty-four inches in width and six feet in height shall be provided in each stand. Exits shall be maintained clear and unobstructed at all times.

The front wall of the stand shall provide a physical barrier not less than eighteen inches in height between the public and the merchandise on display.

### **Revocation of Permit and Seizure of Fireworks**

The Fire Chief may suspend immediately and without notice or hearing the permit of any permitted organization that violates any rule, regulation or ordinance while operating or preparing to operate a fireworks sales stand during or immediately preceding any period of sale. If the Fire Chief reasonably believes that a violation has occurred during or immediately following the authorized period of sale the Fire Chief may prohibit the permitted organization from applying for a Fireworks Sales Permit in the next calendar year.

Any decision of the Fire Chief made under the City's Fireworks Ordinance shall be subject to review by the City Manager. When the decision being reviewed affects the current sales period, such review shall be held at the earliest possible time that the permitted organization, City Manager and Fire Chief can schedule a hearing for such review. For decisions that do not affect the current sales period the review shall be held within ten City business days after the request for review, which request must be made within ten calendar days after notice of the decision being reviewed. The City Manager, using reasonable discretion, may modify the Fire Chief's decision. The decision of the City Manager shall be final.

Any permitted organization whose Fireworks Sales Permit is revoked will not be eligible to apply for a Fireworks Sales Permit in the next calendar year.

The Fire Department may seize, take, remove or cause to be removed at the expense of the owner all stocks of fireworks offered or exposed for sale, stored or held in violation of these regulations.

### **Financial Reporting**

On or before September 1 of each year, the organization that has been issued a Fireworks Sales Permit shall submit to the Fire Chief a written financial statement by the treasurer or financial officer of the organization setting forth the total gross receipts from the sale of fireworks; all expenses incurred and paid in connection with the purchase and sale of fireworks; and to whom and for what purpose the net proceeds were or will be disbursed, along with the organization's most recent State Board of Equalization report that reflects the organization's sale of fireworks. Any organization that files the written financial statement and/or the State Board of Equalization report after September 3 shall not be eligible to submit an application for a Fireworks Sales Permit for the following calendar year.
