Stockton Beautiful Chavez Library Courtyard Makeover Dedication

(Stockton, CA) - Stockton Beautiful, an organization of community members dedicated to increasing community pride by enhancing the city's aesthetic appeal through civic improvements, recently transformed the Cesar Chavez Central Library patio and courtyard with a makeover that included saving some of the mature plantings and adding new landscaping. Recognition of the improvements will be held on Thursday, June 2, 2016, at 5:30 p.m. All members of the community are invited to attend and enjoy the courtyard and gardens.

Pam Sloan, president of Stockton Beautiful and former director of the City's Community Services Department, recently shared the organization's reasons for selecting the Central Library as a site to benefit from the organization's philanthropy. "When I was director it (entranceway) was very uninviting and worn out. We have made a huge difference, and we hope this will be a place where people can gather, reflect, read a book, do their homework, or just sit down and have a nice chat."

"It is truly lovely," shared Suzy Daveluy, Deputy Director of Library Services. "The Cesar Chavez Central Library is at the heart of our city. Those of us who work here are enjoying the improvements, and compliments and recognition from the community are expressed daily."
