

CITY OF STOCKTON
OFFICE OF VIOLENCE PREVENTION

is hosting

DATA & DONUTS

A pink frosted donut with colorful sprinkles is shown from a top-down perspective. The top half of the donut is replaced by a colorful, pixelated graphic that resembles a data visualization or a map, with colors transitioning from yellow to orange to red to pink.

This public event will showcase our work from a data perspective.

Please join us on

Friday, November 30th | 8:30am-10:00am

Stribley Community Center

1760 E. Sonora Street, Stockton
