Masters in Business Administration, National University

Accounting Certificate, San Joaquin Delta College

### **What is your vision for Stockton?**

I am running for Stockton City Council because I love our community and want to make it better. As your City Councilman, I will work to ensure the needs of Stockton residents come first. I have lived in Stockton for over 20 years, graduated from the University of the Pacific with a degree in Business Administration and a concentration in Management Information Systems. I was married here and am raising my two young children in our community.

I envision a city whose residents are safe, where our city finances are balanced and where people can live, work and raise their families like I am. I want a city government that is accountable and transparent, that provides good streets, roads and public transportation and one that listens to the people who it represents.

### **How have you been involved in the community?**

I have served in a leadership capacity as Vice President of the University of the Pacific's Alumni Board and as Treasurer of the Sigma Chi Housing Corporation. I also currently serve as the Director of Communication for the Rotary Club of Stockton and am on the Board of Directors of the Pakistan American Association of San Joaquin County. During my college career, I served as

the Attorney General of the University of the Pacific's Student Government and Student Body President at San Joaquin Delta College.

**Describe any work experience you feel translates to public office?**

I work as a computer technology supervisor for San Joaquin County and understand the importance of bringing innovation to city government so that Stockton residents can be more involved and have greater access and input in how our city is run. Using modern technology, we can make our city safer by expanding programs like ShotSpotter that detects gunfire in high crime neighborhoods. It can also make government more accountable, transparent, user-friendly and responsive to the needs of the community so that all residents can participate in the decision-making process.

**Why would you make a good Councilmember?**

I deeply believe in the importance of public service. Ever since I arrived in Stockton over 20 years ago, I knew this would be the community where I would spend my life. During that period, I have given my time and talents to making our city a better place to live, and one in which all Stockton residents can be proud. I feel that I will bring a unique perspective to the City Council with my background in computer technology. In the past, our local government has not always done a good job of embracing innovative ways of involving the people in the governing process and being accountable and transparent. I want to bring my expertise as a technology supervisor to City Hall so that every Stockton resident has a voice in the decisions made by the City Council.

THEREFORE:

- (1) I SHALL CONDUCT my campaign openly and publicly, discussing the issues as I see them, presenting my record and policies with sincerity and frankness, and criticizing without fear or favor the record and policies of my opponents or political parties that merit this criticism.
- (2) I SHALL NOT USE OR PERMIT the use of character defamation, whispering campaigns, libel, slander, or scurrilous attacks on any candidate or his or her personal or family life.
- (3) I SHALL NOT USE OR PERMIT any appeal to negative prejudice based on a candidate's actual or perceived race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, age, sexual orientation, sex, including gender identity, or any other characteristic set forth in Section 12940 of the Government Code, or association with another person who has any of the actual or perceived characteristics set forth in Section 12940 of the Government Code.

- (5) I SHALL NOT coerce election help or campaign contributions for myself or for any other candidate from my employees.
- (6) I SHALL IMMEDIATELY AND PUBLICLY REPUDIATE support deriving from any individual or group, that resorts, on behalf of my candidacy or in opposition to that of my opponent, to the methods and tactics, that I condemn. I shall accept responsibility to take firm action against any subordinate who violates any provision of this code or the laws governing elections.
- (7) I SHALL DEFEND AND UPHOLD the right of every qualified American voter to full and equal participation in the electoral process.
