### Watering – Exterior Irrigation

<b>No watering</b> – between 11:00 a.m. and 6:00 p.m. or within 48 hours of measurable rainfall
<b>Even numbered addresses (ending in 0, 2, 4, 6, 8)</b> – Tuesdays and Fridays only
<b>Odd numbered addresses (ending in 1, 3, 5, 7, 9)</b> – Mondays and Thursdays only
<b>Locations without addresses</b> – Mondays and Thursdays only
<b>Water leaks</b> – must be corrected within 24 hours of discovery/notification
<b>Wasteful running of water/washing with water</b> – unlawful, without reasonable purpose

### Other – Exterior Uses

<b>Buildings and mobile home exterior (with water)</b> – only with bucket and sponge
<b>Cars and Vehicles</b> – using positive shut-off nozzle only on assigned watering days & times
<b>Fountains (public/commercial locations)</b> – operated only with recirculated water
<b>Outside surfaces</b> – driveways, sidewalks, patios, parking lots, & other surfaces; only with pressurized sidewalk cleaning equipment for sanitation, public health/safety, & fire protection
<b>Repairing/Repainting</b> – pressurized washing device with quick acting, positive shut-off
<b>Pool draining/refilling</b> – must obtain permit; only for protection of public health/safety

### Additional Business (Commercial and Industrial) and Fire Hydrants

<b>Car washes (commercial)</b> – must use reclaimed soap and water (no day restrictions)
<b>Hotels and motels</b> – must provide option to refuse daily towel & linen laundering
<b>Restaurants</b> – water served only upon customer request
<b>Dust control</b> – use of potable water not allowed, except for public health/safety
<b>Fire hydrant</b> – use of potable water not allowed (unless no alternate/recycled water sources are available) except by Fire protection agencies for fire suppression or as allowed by responsible water agencies

### Reporting Water Waste
